Hair Care Products:

Discover the Nature's Quest Collection of Natural Shampoo and Conditioners. Nature's Quest offers collection of natural shampoo and conditioners that is suitable for all hair types. Our hair collection is demonstrating how nature and science works together in harmony.

Our hair collection offers an effective selection of [Haircare Products](#) that has been created by researching ingredients that are most suitable for your hair and scalp. Our Shampoo will gently cleanse your scalp and the conditioner will help detangle your hair. Nature's Quest hair collection is based on nutrient rich plant extracts that will help nourish and protect your hair and scalp.

What we do not use:

Our shampoo and conditioners do not contain silicone which can build up in your hair and weigh it down. We believe that going natural is the best alternative for healthy hair.

SLS - sodium lauryl sulphate this is known to damage hair follicles and can be a skin irritant. We are cruelty free and Vegan friendly - we are against all animal testing and our products do not contain any animal derivatives

What we do use in our hair collection:

Why do we use essential oils for a fragrance? Essential oils have many qualities and one of the is delivering a please aroma with therapeutic benefits. Some of these oils such as Lavender Oil has a refreshing aroma. Lavender Oil is known to nourish and relax your hair. Mandarin oil has immense benefits as it contains both limonene and triterpenes that are known to promote a healthy scalp. It offers a delightful fruity aroma which will delight you.

If you have sensitive skin, we have a solution for you. In our hair collection you will find [Moroccan Shampoo](#) and Conditioner it is free from essential oils. We utilise the benefits of argen oil which is rich in Vitamin E, omega -3 and omega -9. These nutrients all nourish and moisturise damaged hair. It is suitable for sensitive scalps and gentle on your hair.

Our hair collection is vegan friendly and eco-friendly. Our hair collection is made with sustainable practices and packaging materials. Helping to reduce environmental impact. Carrier Oils - they are emollients that help to soften your hair providing lubrication and improving manageability. Some of these oils are Avocado Oil, Sweet Almond Oil and Coconut Oil and Jojoba Oil. Many other oils are used in our hair collection that complement each care line providing your hair with the highest nutrients for your haircare routine.

The benefits of carriers oils in haircare collections are numerous. These oils deliver the benefits of improving shine, reduce frizz and assist with detangling your hair.
